

Kiosk Your Way

ENHANCE GUEST EXPERIENCES AND
BRAND OPERATIONS WHILE BOOSTING REVENUE

Self-service kiosks are essential for meeting guest expectations while enhancing your brand's operational efficiency and labor performance. Kiosk solutions are proven to expedite service and improve order accuracy, providing a transparent experience that fosters guest confidence. Furthermore, employees benefit from simplified menu management, which streamlines operations and saves time.

Not sure if you need a full-time kiosk?

We've got you covered with our dual-purpose POS + Kiosk solution that pivots to be cashier or guest-facing in seconds. This flexible design eliminates the extra hardware costs of traditional kiosk models, ensures continuity during staff shortages, and empowers your in-store team to engage in highest-value tasks to keep orders flowing. Standalone kiosks are also available as a full-time in-store kiosk option.

Key Benefits

GROW REVENUE & SCALE

Boost revenue with smart cross-selling prompts and targeted promotions on kiosks. Our solutions are scalable to fit your business size and operational needs.

Kiosks with cross-selling increased average order value

+23%

compared to other ordering channels.

UNBURDEN YOUR OPERATIONS

Kiosks simplify the ordering process, reducing the workload on staff. This enables your team to focus on higher-value tasks while maintaining smooth operations.

45%

of operators need more employees to meet demand.²

ENHANCE GUEST EXPERIENCE

Kiosks elevate guest satisfaction through an inclusive and engaging ordering process with improved accuracy. Our accessible self-service experience ensures all guests, including those with disabilities, can confidently make decisions and enjoy their ordering experience.

According to the CDC, approximately

61million

adults, (~ 1 in 4 Americans) would benefit from accessibility features on digital pages.³

- 1 Restaurant Business Online, *Fast food chains and their customers embrace the kiosk*
- 2 National Restaurant Association, *2024 State of the Restaurant Industry*
